

# EVENTS AT HIGHLANDS COUNTRY CLUB

When you hold your intimately-sized event at Highlands Country Club, your guests will enjoy our countryside retreat settings, just an hour north of Manhattan, nestled in the Hudson Highlands. Highlands radiates old world elegance, with a stately manor house surrounded by a lush landscape. You will enjoy the style, sophistication, and breathtaking scenery. Special events at the Highlands begin and end with personalized attention and service.

## Our Special Spaces

Highlands Country Club can welcome parties up to 150 with its four spaces offering unique aspects tailored to each individual taste. The elegant Grand Ballroom is the center of the estate property and offers elegance and ambiance, with a stunning crystal chandelier, two oversized wood-burning fireplaces, and arched french doors. Connected to the Ballroom are a covered Verandah and Private Garden space on one side, and an enclosed glass Solarium on the other.

The Verandah offers covered, open air space with curtained columns and a stone patio. The Solarium offers a warm and tranquil environment, through its lavish natural light lantern sconces, and terracotta tile floors.

## Our Special Services

Special events begin and end with personalized attention and service from one of our dedicated event coordinators. Whether you are celebrating a family reunion, bridal or baby shower, rehearsal dinner, or other special occasion, we strive to take every detail into consideration to make your event as memorable as possible. We offer multi-course packages for breakfast, lunch, or dinner; and beverage packages are also available. Your guests are served ingredients of the highest quality, including regionally-sourced meats, cheeses, vegetables and fruits.
